

Let the revenues flow smoothly in your
Water Transport Business
with Tata Yodha 2.0

TATA MOTORS PICKUPS

ALL NEW **YODHA 2.0**

The all new Tata Yodha 2.0 is just the powerful pickup you need to take your Water Can transport business to the next level. In addition to a spacious cargo loading area which is capable of delivering more water cans, the Tata Yodha 2.0 offers higher mileage which effectively results in enhanced savings while increasing profitability. No roads are impossible for the all new Tata Yodha 2.0 and this helps in fulfilling commitments regardless of the terrain. Providing low Total Cost of Ownership, the pickup's long-lasting performance ensures increased revenues for years to come.

Bigger cargo loading area

The load body dimensions ensure optimum usage of space for transporting 20 litre water bottles and help you carry 45 bottles efficiently

Superior driving comfort

Features like power steering, comfortable seats and improved cabin space help you make more trips for more profits

Ultimate stability

Anti-roll bars fitted in the front and a wider rear axle track adds ensure greater stability while carrying heavy load

Lower Total Cost of Ownership

Sturdy aggregates and lower maintenance cost reduce the total cost of ownership while providing unmatched performance
